# The Thirty-Seventh Annual Louisiana Neurosurgical Society Meeting

Shreveport Convention Center - January 13 - 14, 2012

1:00 pm - 5:00 pm Friday, 7:30 am - 1:00 pm Saturday

## REGISTER FOR THE MEETING TODAY

### ALEX VALADKA, MD, Featured Guest Speaker

Dr. Alex Valadka joined the faculty of the Department of Neurosurgery at Baylor College of Medicine in 1993. In 2006, he accepted a position as Professor and Vice Chairman of the Department of Neurosurgery at the University of Texas Medical School at Houston. In 2009, he moved to Austin to help lead the newly created Seton Brain and Spine Institute, where he serves as Chief Executive

Officer. Dr. Valadka maintains a strong clinical and research interest in neurotrauma and critical care, including numerous papers, presentations, research grants, courses, seminars, and visiting professorships.

### DOUGLAS BROCKMEYER, MD, Special Lecturer

Dr. Douglas Brockmeyer is a Professor of Neurosurgery, Residency Program Director, and Marion L. Walker Endowed Chair of Neurosurgery at the Primary Children's Medical Center at the University of Utah Medical Center in Salt Lake City, Utah.

Dr. Brockmeyer's clinical interests include Pediatric Spine Surgery and Pediatric Cerebrovascular Neurosurgery.

Kindly submit your abstracts to [lhuds1@lsuhsc.edu](mailto:lhuds1@lsuhsc.edu).

**ABSTRACT DEADLINE DECEMBER 16th**

On behalf of the Louisiana Neurosurgical Society, it gives me great pleasure to invite you to our meeting in Shreveport on January 13-14, 2012. This year we will be offering a pre-conference neuroendoscopy course titled, "Incorporating Intracranial Endoscopy into Your Practice," which will be held at the Shreveport Convention Center on Friday, January 13th from 1:00 pm to 5:00 pm. There is limited space for the pre-conference course, so indicate your interest in attending by registering now.

On Saturday, January 14th, the featured speaker, Dr. Alex Valadka, Associate Professor at the Department of Neurosurgery at Baylor College of Medicine, will be speaking about "Current Management of Traumatic Brain Injury" and "Washington Committee Update." We are also honored to have Dr. Douglas Brockmeyer from University of Utah speak about his experience climbing Mount Everest. We look forward to your participation. Please let me know if you have any questions.

**BRIAN WILLIS, MD**

LANS President 2012-2013
